School Administrator Recognition Program

Without the support of school administrators, students could not take advantage of the many opportunities offered through Family, Career and Community Leaders of America, Inc. Exceptional administrators encourage chapters to take advantage of FCCLA programs and develop leadership skills to prepare them for their multiple adult roles of family member, wage earner and community leader.

Family, Career and Community Leaders of America, Inc.'s, School Administrator Recognition Program seeks to honor local administrators who give outstanding support to the organization on the local, state and national levels. This program is made possible by a grant from the estate of Mrs. Helen Schmitz Webster, a former administrator in the Deer Creek, Oklahoma, Public Schools and a strong supporter of Family, Career and Community Leaders of America, Inc.
